

Suffolk Coastal Salaried Vacancy for 2 GP's 12 Sessions in Total

'Cutting Edge Medicine in the Countryside'

The Peninsula Practice serves a large (and beautiful) rural area, very close to the coast.

Far from being a sleepy backwater we provide:

- Above average pay, NHS pension and indemnity fees paid, 6 weeks annual leave plus study leave.
- Peer support and encouragement for professional growth and career development (may lead to partnership in the future).
- Non-hierarchical and inclusive approach, with highly responsive management team dedicated to ensuring staff wellbeing.
- Awarded outstanding in 4/5 areas (2016 & 2019 - currently highest scoring in Suffolk), also 100% QOF year on year.
- Highly skilled care navigators, HCA, dispensers, IT, admin, nurses, NPs and GPs as well as excellent community teams with forward thinking and innovative responses to this climate of change and workload demands.
- Research active serving as a hub for national projects.
- Fully dispensing across multiple sites.
- Involved with local commissioning.
- Encourage and initiate unique practice projects (currently includes palliative care, and meditation projects).
- Progressive training practice with ethos of shared learning and open door support by whole team.
- Provision of full family planning services; minor surgery; compassionate palliative care; social prescribing; mental health worker; regular clinical/MDT/GSF meetings etc.
- Well developed and friendly PCN having worked as a collaborative with local surgeries for 10 years already.
- Lots of laughter.

To apply or for more information please send your CV by email to linda.deabill@nhs.net or kay.goodchild-critchley@nhs.net
