

Suffolk Coastal

Advanced Nurse Practitioner Vacancy

'Cutting Edge Medicine in the Countryside'

Peninsula Practice serves a large (and beautiful) rural area, very close to the sea. Far from being a sleepy backwater we provide:

- Above average pay, NHS pension and indemnity fees paid.
- Peer support and encouragement for professional growth and career development
- Non-hierarchical and inclusive approach, with highly responsive management team dedicated to ensuring staff wellbeing
- Awarded outstanding in 4/5 areas (2016 & 2019 - currently highest scoring in Suffolk), also 100% QOF year on year
- Highly skilled care navigators (nee receptionists)/HCA/dispensers/IT/admin/nurse/NP and GPs as well as excellent community teams with forward thinking and innovative responses to this climate of change and workload demands
- Research active serving as a hub for national projects
- Fully dispensing across multiple sites
- Involved with local commissioning
- Encourage and initiate unique practice projects (currently includes palliative care, and meditation projects)
- Progressive training practice with ethos of shared learning and open door support by whole team
- Provision of full family planning services; minor surgery; compassionate palliative care; social prescribing; mental health worker; regular clinical/MDT/GSF meetings etc...
- Well developed and friendly PCN having worked as a collaborative with local surgeries for 10 yrs already
- Lots of laughter.

To apply or for more information please send your CV by email to linda.deabill@nhs.net or kay.goodchild-critchley@nhs.net
