STAFF TRAINING DATES

Aldeburgh and Orford surgeries will be closed for staff training on Thursday 8th September from 13.00. Alderton surgery will be open for booking future appointments only, and Alderton pharmacy will be open. All calls will continue to be redirected to 111 for this afternoon.

This means that there will be no clinical staff available during this afternoon at any site.

When the surgery is closed please call NHS 111.

Flu season 2022

We are planning our flu vaccination clinics for the 2022/23 winter period. We currently have flu vaccine clinics organised for the following dates:

- Tuesday 4th October 2022 – Orford Surgery
- Wednesday 12th October 2022 – Aldeburgh Community Centre
- Thursday 20th October 2022 – Hollesley Village Hall

Appointments for our flu clinics will be released on 12th September 2022; these will be available to book online, via text link direct from the surgery and by calling the surgery after 11am each day.

For our housebound patients, we will be vaccinating from 10th October. We will contact all our housebound patients to confirm a date prior to arrival.

Our aim is to deliver the flu vaccine with the Covid-19 Autumn Booster. There are still many variables to work out for this to be possible; please keep an eye on our website and Facebook page for more details as they become available.
